NEW TRACK FOR THE WEST

WORK BEGINS ON MODERN RACING PLANT
NEAR SALT LAKE CITY.

H. I. Wilson Prime Mover in Organization of Influential Citizens of Utah Interested in Venture—Meeting of 40 Days Arranged to Begin May 30.

Salt Lake City, Utah, April 3.—H. I. Wilson, president and manager of the racing organizations that have made a signal success of racing at Butte and Anaconda, Mont., has organized a local racing association under whose auspices a forty-days meeting will be given at a new mile track at Lagoon Park, distant a few miles from this city, beginning May 30 next. The work of constructing the new track began today and will be rushed to completion by the time set for its opening. The Lagoon course will be beautifully located on a tract of 100 acres just purchased by its promoters about half way between Salt Lake City and Ogden, and will be convenient of access from both of these places. The time required for the journey to the new track from the heart of Salt Lake City will be but twenty minutes.

The building of the Lagoon track will permit Mr. Wilson and his associates to offer horsemen an attractive and compact circuit of about ninety days of racing on mile tracks in the inter-mountain region. The schedule of dates selected for the new course will conveniently precede those for Butte and Anaconda, soon to be officially announced. The stabling accommodations of the new course will consist of 500 stalls, and more if necessary. Pending their construction, Mr. Wilson has made arrangements with the management of the Fair Grounds in this city to accommodate all horsemen who may wish to ship here at once.

Simon Bamberger, former United States senator from Utah and at present president and general manager of the Salt Lake and Ogden Railroad, is financially interested in the new organization and will serve as its president. Associated with him, besides Mr. Wilson, are some of the best known and influential citizens of Utah. The total investment will be only \$100,000, but the plant will be amply adequate and strictly modern. Practically no grading will be necessary. Martin Nathanson, of Chicago, who fills a similar position at the Montana meetings of which H. I. Wilson is manager, will serve as the new association's president judge and handicapper. Richard Dwyer has been engaged as starter. The betting ring will be an open one.

For the special accommodation of horsemen, the Oregon Short Line will construct a short spur from its main line to the new course so that horses shipped from distant points may be unloaded at the track gates.

Martin Nathanson, who has been in Chicago since the close of the Oakland meeting, with which he was officially connected as programmer, handicapper, clerk of the course and steward, will proceed to Salt Lake City shortly to take up the duties of his new position there. Mr. Nathanson announced yesterday that dates had been selected for the Montana meetings this season as follows:

Butte—July 19 to August 22 (30 days).

Anaconda—August 25 to September 9 (14 days).

This, in conjunction with the new track at Salt Lake City, will provide 84 days of practically continuous racing for the horsemen that may decide to patronize the circuit which plays an important part in western racing. The chances are that these meetings will be more successful than any of the year than ever before and that they will consequently be invested with greater importance than ever.

DUST STORM MARS JUAREZ CLOSING.

Round the World Scores an Exceedingly Easy Victory in the Second Running of the Juarez Derby.

El Paso, Tex., April 3.—The second running of the Juarez Derby was provided yesterday by the management of the Jockey Club Juarez for the closing of its season of racing. Despite the appearance before race time of one of the disagreeable dust storms for which this region is noted, the throng attending was of goodly proportions. Numerous withdrawals from the Derby made that event a foregone conclusion for Round the World, which was made a prohibitive favorite. The race was hardly begun when the dust storm descended in front for the entire distance and was eased up throughout the final furlong. The success of three favorites gave the public an even break with the layers on the day.

A telegram from H. I. Wilson notified the horsemen here that the meeting would be held in Salt Lake City for forty days beginning May 30 at a new track to be built at Lagoon Park which is situated midway between Ogden and Salt Lake City.

Donmiltida and Sleephead have been purchased at private sale by E. Schafer and will be raced on western tracks.

Horsemen quartered here are shipping in various directions. The better class of horses will go to Kentucky and the remainder to the inter-mountain section, where meetings will be given at Ogden, Denver, Salt Lake City, Butte, Anaconda, Helena and other points.

LOUISVILLE STALLS IN GREAT DEMAND.

Louisville, Ky., April 3.—Edward Jasper, who officiated at Juarez as racing secretary and who will fill a similar position this spring for the New Louisville Jockey Club during the meeting beginning May 13, arrived today from the Mexican track and immediately entered upon his duties. For the present he will be engaged in assigning stable room at Churchill Downs and Donkey Park to those horsemen who ship here from Mexico, Florida and elsewhere. It looks now as if there will be nearly 1,500 horses here to compete in the Downs meeting. After looking over the lists of those who have applied for stable room, Mr. Jasper predicted that racing in Louisville this spring will be the greatest turf patrons have ever known in these parts. A special from Juarez consisting of twelve cars with twelve horses to the car left that place today and is expected to arrive here Thursday. It is running on passenger train schedule. On the same day a special of at least ten cars will arrive from Jacksonville, Mr. Jasper reports that racing at Juarez is on a healthy basis and he predicts that next season Juarez will be the scene of one of the greatest winter meetings America has ever had. El Paso, he says, has grown rapidly.

Col. Matt J. Winn, general manager of the Juarez track, accompanied by Harry Breivogel, will leave Juarez tomorrow for a trip to Seattle and the northwest. They will arrive in Louisville in fifteen days.

Judge W. H. Shelley will arrive here next Wednesday night. Judge Charles F. Price, who was steward at Juarez, is still at Magnolia Springs, Ala.

STATISTICS OF THE JACKSONVILLE MEETING

The winter meeting of the Florida Live Stock and Agricultural State Fair Association, which opened at Moncrief Park, Jacksonville, Fla., November 24, 1910, and came to a close April 1, embraced 111 racing days, during which \$330,500 was distributed in stakes and purses, representing a daily average distribution of \$2,978. J. W. Schorr and F. J. Crompton figured in an exceedingly close contest for first place in the money-winning owners list, the honor going to Mr. Schorr by the scant margin of \$50. The winnings of the Schorr horses foot up \$14,100, as against \$14,050 to the credit of the Crompton stable. S. A. Crompton is third with \$11,440 and others over the \$10,000 mark include R. D. Williams and the Beverwyck Stable. G. P. Chinn fell just short of the \$10,000 class. The following 106 owners were winners of \$500 and over:

NEWMARKET CRAVEN MEETING AT HAND.

Over in England the week just ended was taken up with racing of minor importance at Warwick Derby and Alexandra Park, but a meeting of higher standing will begin today with the opening of the Newmarket Craven meeting of three days. This is annually the first of the series of meetings at headquarters and is always expected to forecast something concerning Two Thousand and Derby possibilities. Last year, for instance, Nell Gow made his first appearance as a two-year-old in the Craven Stakes and by reason of easily defeating Whisk Broom and Tressady at once became a firm favorite for the Two Thousand Guineas and also the winner when the day for the decision of that great race arrived, defeating Lemberg by a head, with Whisk Broom a good third.

These points of interest for Americans in the forthcoming Craven meeting in nominations of American-bred and owned horses to several of the closed events to be decided. The principal event of the first day is the Fifty-Second Newmarket Biennial Stakes, for three-year-olds, over the Rowley Mile. Mr. Whitney's All Gold, which raced last as the Persimmon—Dane d'O'olt, is in this and so are such good two-year-olds of last year as Lord Derby's Oliver Goldsmith, Lord Falmouth's splendid filly, Alice, and Sir A. Bailey's Dark Splendour. Charles Carroll's chestnut filly, by Meddler—Ballantrae, and H. P. Whitney's chestnut gelding, by Hamburg or Burgomaster—Monodur, and chestnut gelding, by Burgomaster—Urania, are in the Ashley Plate, for two-year-olds, which will be run at five furlongs the same day. The Column Produce Stakes, for three-year-olds, at a mile, is the chief race of the second day. No American is in this, but the Derby candidates, Cyllius and St. Anton, are among its entries. In the Granby Plate, for two-year-olds, at five furlongs, are Charles Carroll's Meddler—Ballantrae filly and Meddler—Reina filly, H. De C. Forbes' Goshawk by Meddler—Heartache and H. P. Whitney's Hamburg—Eugenia filly, colt and Hamburg or Burgomaster—Monodur gelding, Mr. J. R. Keene's Runnymede, Mr. Whitney's Hardyburg and Pique Dame and Mr. Winans' The Spy are in the Wood District Stakes, for three-year-olds, at a mile. The Fifty-first Newmarket Biennial and the Craven Stakes are the big races of the third and last day. The Newmarket Biennial is at a mile and a half and has such good ones as Winkip, Decision, Willonryx and Sanctuary in its entries. Mr. Carroll's Troubled Waters and Lord Ellesmere's Kensington are eligible, but have scant chance. The Craven Stakes is for first-year-olds and is run over the Rowley Mile. Charles Carroll's Night Rider and Crimmon Rambler, L. Waterbury's Alster Cross and Mr. Whitney's Hardyburg and All Gold are engaged, as also are such formidable opponents as Seaforth, Castelline, King William, Phryxus, Desmond—Cocking Bell colt, St. Girous, San Nicholas, Sunstar and other cracks of last year's racing. Seaforth will probably make his 1911 debut in this three-year-old, at a mile, and among its entries are A. Belmont's filly, Reid Walker's Adamite, Mr. Whitney's Hardyburg and Pique Dame and L. Winans' The Spy.
